

**Cardiology & Electroneurophysiology Technologist
Clinical Neurophysiology
Royal University Hospital**

(Permanent Full-Time)

Saskatoon is situated along the banks of the scenic South Saskatchewan River in the heart of the Canadian prairies. It has a world-wide reputation for safety, affordability, and hospitality. Its population exceeds 200,000 people and enjoys the most hours of sunshine each year for major cities in Canada.

With a flourishing arts community, Saskatoon hosts a wide range of world-class festivals (including jazz, theatre, and comedy), exhibitions, concerts, and sporting events. Recreational opportunities for people of all ages are abundant in the city's leisure facilities, parks, golf courses, and nearby lakes.

Royal University Hospital is a tertiary care adult and pediatric centre. We offer:

- Salary range of \$32.78 - \$35.12 per hour.
- Fifteen paid vacation days per year as well as 17 earned days off (in rotation).

Benefits are per the current SEIU/SAHO Collective Agreement and include pension, disability income, group life and extended dental and health care plans.

REQUIREMENTS:

- Cardiology Technology diploma.
- Electroneurophysiology diploma.
- Certification with Canadian Society of Cardiology Technologists.
- Certification with the Canadian Association of Electroneurophysiology Technologists (electroencephalography [EEG]).
- Certification with the Association of Electromyography Technologists of Canada (electromyography/nerve conduction studies [EMG]).
- Registration with the Saskatchewan Cardiology Technologists Association.

If you possess the above qualifications, then we invite your candidacy.

For detailed position-specific information, please contact Shannon Sigfusson at (306) 655-8425.

Please submit your resume in confidence by July 11, 2010 to: People Strategies, Saskatoon Health Region, 103 Hospital Drive, Saskatoon, Saskatchewan, S7N 0W8; Fax (306) 655-2444; E-mail: jobs@saskatoonhealthregion.ca
