You will have:

- Completion of one year college or university with emphasis on physical, biological science or Bachelors degree or its equivalent.
- Affiliate membership with the Canadian Board of registration of Electroencephalographic Technologists or equivalent.
- Prefer a minimum of 6 months experience in a lab with electroencephalographic testing.

The Region:

We will be supporting the health care services in the Simcoe Muskoka LHIN. Our campus is located in Barrie, which is a rapidly growing city located approximately 45 minutes north of Toronto. Barrie offers many large city amenities with small town charm. Superior recreational and cultural activities include skiing, boating, golf, and theatre, along with excellent local educational opportunities blending well with our professional development programs. A great place to live, work and play, Barrie can satisfy most of all your needs. Several daily Go-Trains and our proximity to Pearson International easily links you to the rest of the world.

We offer a comprehensive benefits package, the HOOPP pension plan, an education reimbursement program, and a commitment to your professional development. If you are interested in joining a dynamic and growing team, consider contacting our Healthcare Recruiter in confidence. Vittoria Sgambelluri can be reached via e-mail at sgambelluriv@rvh.on.ca.
