Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a community-affiliated teaching site for the University of Toronto and partner with a number of other universities and colleges, helping to train the next generation of health care professionals. SHN is the recipient of the Excellence in Diversity and Inclusion Award, from the Canadian College of Health Leaders, for our work led by the Organizational Development and Diversity Department on our Leading edge Communities of Inclusion, Inclusion Calendar and our innovative Health Equity Certificate programs. We are also proud to be named Canada's Most Admired Corporate Cultures for 2023! Learn more at shn.ca
